SUMMARY REPORT

ENTREPRENEURSHIP PROGRAMME IN CHEMISTRY

Date : 07.02.2023

Topic: Identifying Market Opportunities

Venue: ChemistryLab

No. of Participants: 37

The Department of Chemistry conducted programme on Entrepreneurship Programme in Chemistry for UG Science Department students (2022-2023) of our college in Chemistry Laboratory. The title of the programme was "Identifying Market Opportunities". A total of 37 students actively participated in the programme. The programme was useful to the students community. All the students were shared their ideas and discussed the importance of chemistry-related market opportunities.

This course program aims to motivate students to develop factual, chemistry-related skills along with commercialization skills at a relatively early stage of the undergraduate curriculum so that students can independently decide on their subsequent choices and study priorities. Highly motivated students can take the "Entrepreneurial Project in Chemistry 2" course, where they will learn how to develop patents and business proposals based on their ideas and gather experimental data to support a patent application.

About the College

Sengunthar Arts and Science College, popularly known as SASC, was founded in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing, coeducational Institution, situated in serene green surroundings at Tiruchengode. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. The college offers 14 UG Course, 9 PG Courses and 4 Research programmes. All the PG Departments are housed in a separate block with modern laboratory facilities. As a crown to the glory of SASC, the students bagged 85 Gold Medals and 654 University Ranks form the inception of the Institution.

About the Microbiology Department

The Department of Microbiology, Sengunthar Arts and Science College was established in 1993 with a view to provide knowledge, skill and services in Microbiology. Department offering B.Sc., Microbiology, M.Sc., Microbiology, M.Phil. and Ph.D., in Microbiology. Department has excellent infrastructure for teaching and research. The alumni of the department occupy government officials, microbiologist, scientist and great responsibilities in R&D institutions, pharmaceutical, biotech industries colleges and hospitals. The choices and opportunities in India and abroad for microbiologist make is feel at the top of a sky

scraper. Many of the students have brought honour to the institution, including gold medals in the university examinations. The department has to its credit 14 Gold Medalists and 110 Rank Holders.

About the Biotechnology Department

The Department was established in the year 2003 with the goal of educating innovations for the aspires and to meet up the technical needs of the industrial sector. Department offers a full time UG, PG Biotechnology programme, full time and part time M.Phil Biotechnology programme. Department has highly qualified and experienced faculties who actively involved in academics, research and extension activities. Department has spacious well equipped Individual laboratories for UG, PG, Research and state of art seminar hall. Our student has bagged 9 Gold Medals and 40 Rank Holders so far in the University Examination.

About the Programme

Intellectual Property Rights (IPR) is exclusive rights that are given a rule to a person or group of people for their work. In simple terms IPR includes Copyright, Patent Rights and Brand Rights. IPR is to protect and stimulate the development and distribution of new products and the provision of new services based on the creation and exploitation of inventions, trademarks, designs, creative content or other intangible assets.

Report on the Webinar on Intellectual Property Rights Conducted on 25th January 2023

A webinar on intellectual Property Rights: Patents, Copyrights and Trademarks were conducted at Sengunthar Arts and Science College, Tiruchengode on 25/01/2023. The webinar was jointly organized by IQAC, IIC, PG and Research Department of Microbiology & Biotechnology in Association with National IP Awareness Mission (NIPAM). Intellectual Property Office, and India. The webinar was delivered from the conference hall of NIPAM through online mode. Over 424 Students were registered and 157 participants attended the Webinar through online mode. Mr.A Seetha Raman, Examiner of Patents and Designs, Patent office, Chennai, acted as Guest speaker of the webinar. Chief Guest & Participants were welcomed by Mr.P.Balamurugan, IQAC Coordinator cum Head, Department of Computer Science, Felicitation address was given by Dr.P.Venkatachalam, IIC Coordinator cum Head, Department of Microbiology, followed by initial remarks from Dr. S.Ravikumar, Principal, Sengunthar Arts and Science College, Tiruchengode. The webinar was inaugurated by our Respected Prof. A. Baladhandapani, Secretary & Correspondent, Sengunthar Arts and Science College, Tiruchengode with inaugural address. During his inaugural address respected Secretary & Correspondent stressed the importance of IPR and its relevance in these times and its necessity for the advancement in research and development in India.

Background of the webinar speaker A Seetha Raman, Examiner of Patents and Designs, Patent office, Chennai, spoke on the topic of "Patents, Copyrights and Trademarks: Procedural and Legal Aspects". His lecture started with an introduction to Intellectual Property Laws and spanned across the different disciplines related to IPR. He pointed out that IPR is no more confined to the legal fraternity, but has spread across all disciplines because of which it has an impact and significance on arts, science, commerce, management and business. Patents copyright and trademarks have great significance not only in the uplifting

ATTESTED

PRINCIPAL

the knowledge economy but also in fine-tuning it. He elucidated the meaning of intellectual use of traditional knowledge with an example of basmati rice case of 1997. He recalled the 1980's IPR laws in India.

He gave an overview on the importance of legislation in the field of science and arts community, how innovation comes with different disciplines with collaboration research, marketing innovations etc. He explained how to file a patent in India itself with respect to life science, biotechnology, computer science and physical sciences and also in the context of collaboration research. Then he discussed on different aspects of intellectual properties like industrial design, geographical indication, trade secret, protection of farmers' rights and researchers' rights.

Shri A. Seetha raman, Examiner of Patents and Designs, Patent office, Chennai elaborately discussed the importance of IPR. He spoke the need of to knowledge about IPR as the definition of assets has grown from to non material. This helps in spreading awareness and enhances motivation for students to disseminate scientific and technological information which in turn stimulate their ideas and innovations, improves their quality of life. He concluded the talk by explaining the rationale of protection and the nature of IPR. He emphasized that IPR has to be renewed from time to time for keeping them in force except in case of copyright and trade secrets. Thus webinar provided valuable awareness and insights on the various aspects of IPR. Before the end of this session, our respected guest interacted with participants. This webinar was ended with vote of thanks by Dr.S.Sudhakar, Organizing Secretary. IPR Webinar and Head, Department of Biotechnology, Sengunthar Arts and Science College, Tiruchengode.

About The College

Sengunthar Arts & Science College, popularly known as SASC, was founded in1991 by sengunthar Education Trust, It is a pioneer, Selffinancing, Co-educational Institution, situated in screne green atmosphere at Tiruchengode. It was formerly affiliated to the University of Madras and now to the Periyar University, Salem. With its fine infrastructure and ability in maintaining high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under the Periyar University. The college offers two AICTE approved programmes M.C.A. We also have research programmes notably, Ph.D. programmes in microbiology and M.Phil. programmes in various departments. The college offers 8 PG programmes and 13 UG programmes of various disciplines such as Mathematics, Commerce (C.A.), Management, Life Science, Computer science & Applications. The college has been accredited by the National Assessment and Accreditation Council (NAAC), Bangalore and recognized by UGC u/s 2(f) and 12(B), and also ISO:9001-2008 certification.

About The Department

In its sojourn towards enthusing students' interest in the subject, the department has focused on three aspects: building a conceptually sound foundation of the subject knowledge; the importance of basic and applied research; and the benefits of the subject in development of the society.

The department has adopted traditional as well as modern methods of teaching and has put a lot of emphasis on learning by doing. The seeds of research, entrepreneurship, innovations, team work and efficient working are sown by the qualified staff members by establishing a one to one interaction with students through mentoring sessions.

About The Webinar

This Webinar is going to discusse about the Research Techniques to Determine the Contaminants water and food Products.

Summary Report

Department of Microbiology organized the Guest Lecture on How to plan for Start-up and legal & Steps on 18.08.2022 at M.Sc. conference Hall, Dr.P. Venkatachalam, Assistant Professor of Microbiology, welcome the gathering, Dr.S. Ravikumar, Principal has inaugurated the function. Dr.P. Ashokkumar, Assistant Professor of Microbiology has coordinated the function. Students were actively participated from various departments in our college.

The eminent Guest Mrs Lakshmi Priya Sugumar, Founder SRP Enterprises, Coimbatore discussed with our student and explained well about the entrepreneurial mindset. It consists of three key elements: Curiosity, Connections, and Creating Value—the 3C's. This emergent understanding came from years of work with keen faculty, students, and industry.

Entrepreneurially minded individuals:

- Have a constant curiosity about our changing world and employ a contrarian view of accepted solutions.
- Habitually connect information from muny sources to gain insight and manage risk.
- Create value for others from unexpected opportunities as well as persist through, and learn from, failure.

It is very Useful Session for our students.

REPORT

PG & Research Department of Biotechnology and IIC Organizes

MOTIVATIONAL SESSION BY SUCCESSFUL INNOVATORS On

10.10.2022

Objective of the Program:

To create awareness about innovation and give motivation to students by sharing his journey of start-up.

The program was organized by the PG and Research Department of Biotechnology and IIC on 10.10.2022. The topic was "Motivational Session by Successful Innovators". The Resource Person was Mr. Vivek Murali, Founder, Chief Operating & Scientific Officer, M/S Remura biological, Krishnagiri. The program started with prayer song. The Felicitation address was given by Dr.P. Vanathi, Head, Department of Biotechnology, Sengunthar Arts and Science College, Tiruchengode. The Program was inaugurated by Dr.S.Ravikumar, principal, Sengunthar Arts and Science College, Tiruchengode.

Mr. Vivek Murali started the session by introducing himself. He started his carrier as project associate at GKVK Agricultural University, Bangalore. Then He worked as a Scientist for Three Years in Molecular Biology (R&D) in Biocon, Bangalore. He Got Pre-Ph.D award in advanced genomics and proteomics. Finally, he self employed scientific professional working for his own startup based biotech company named as Remura Biologicals at krishnagiri, Tamilnadu.

He shared his whole journey like how he started thinking of Innovating a new service into the market, and shared all the ups and downs he faced after launching the product in the market. He covered the marketing strategies such as how he created his customer base and chooses his target audience and also tells us about pricing factor like how he managed funding and decided price for his service and keeping his service pocket- friendly. He

concluded the session by telling how he will expand his start-up. The session was very motivating and appreciated by all students

Our Students got detailed knowledge of Idea about generation and start-up and Learned how to manage various factors Such as Marketing, Pricing and funding in the start-up. Our students also got awareness about How to overcome with problems faced in the business. The students were very interested, excited and they get the knowledge of practical difficulties in these competitive environment. This Program is very useful to the students. The Program is ended with National Anthem.

SUMMARY REPORT OF THE PROGRAMME

The department of Corporate Secretaryship has organised a "ENTREPRENEUR AND INNOVATION" on 22-02-2023. Dr. P. Venkatachalam, IIC coordinator, has delivered the welcome address Dr. S. Ravi Kumar, principal has Inaugurated the program CS NS Poornima practicing Company Secretary and secretary ICSI (Salem chapter) was the resource person of the program. The important aspects covered by the speaker during expert talk sessions and interactive activities would motivate those students who are a step back to come forward and face life on a positive note, Encouraging students to conduct seminar presentation on motivation after through research is also a good idea. About 34 students attend the program the queries of the students were very well handled by the speaker, The overall feedback of the program was very positive. Finally Dr. N. Santhi Assistant Professor and Head department of Corporate Secretary proposed the vote of thanks
