ABOUT THE INSTITUTION

Sengunthar Arts and Science College, popularly known as SASC, was founded in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing, co-educational Institution, situated in serene green surroundings at Tiruchengode. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. The Institution spreads over 22.5 acres of land with 2,20,000 sq.ft. of built in area.

ABOUT THE DEPARTMENT

The PG & Research Department of Microbiology, Sengunthar Arts and Science College was established in 1993 with a view to provide knowledge, skill and services in microbiology. Department offers B.Sc., Microbiology, M.Sc., Microbiology, M.Phil., Microbiology and Ph.D., Microbiology. Department has excellent infrastructure for teaching and research. The alumni of the department occupy Government officials, Microbiologist, Scientist and great responsibilities in R&D Institutions, Pharmaceutical, Biotech industries Colleges and hospitals. The choices and opportunities in India and abroad for microbiologist is ever widening. Many of the students have brought honour to the Institution, including Gold medals in the Periyar University Examinations. The department has to its credit 18 Gold Medalists and 116 Rank Holders.

Keynote about workshop:

Molecular technology is a broad term that involves different laboratory techniques to study or modify DNA, RNA, or proteins. There are different types of molecular technologies available to develop and improve drugs, vaccines, therapies and diagnostic tests that will improve human and animal health. It help us advance medicine, agriculture, forensics, and many other fields.

SUMMARY REPORT

Name of the Workshop : Achieving Problem-Solution Fit & Product - Market Fit
Date : 07-02-2024
Venue : HALL No:13
No. Of Participants : 72

Department of Electronics and Communication have been organized the One day workshop on "Achieving Problem-Solution Fit & Product - Market Fit" on 07-02-2024 at Hall No.13-Physics class room. The programme started at 10.00am with a welcome address given by Dr.P.Venkadachalam, IIC Coordinator. The Inaugural speech given by Dr.S.Ravikumar, Principal Academics and followed by the Resource Person introduced by Mr.A.Kumaresan, Assistant Professor, Department of Physics.

The program's main goal was to identify the importance of developing new, unique, or unexpected solutions with the primary goal of being able to put themselves in the needs of customers and developing a better understanding of customer needs. The workshop aimed to help students develop entrepreneurship skills, how to tackle the problems and how get the correct solutions.

The resource person, Mr.M.Kaveen, Bharath Institute of Technology, Salem. The resource person started the session by extending his hearty thanks to the Management, Principal, Organising members and Participant for giving him opportunity to share his knowledge and experience in "Achieving Problem-Solution Fit & Product-Market Fit".

The outcome of the workshop are Students were made aware of how to clearly define problems, how to find an innovative solution of the problems and how to manage risk while trying to introduce new products to the markets.

Finally, the session was concluded by the vote of thanks delivered by Ms.M.Narmatha, Coordinator. He extended his thanks to the Management, Principal, HoD, Chief Guest and the participated students for the successful completion of this event.

Activity Report

Name of the Activity	Webinar on the Occasion of "National Technology Day"
Date	11th May 2024
Time and Venue	1:00 pm. To 3:00 pm.
Mode (Online/Offline)	Online
EventCoordinator/ Faculty In-charge	Mrs. R.Bharathi Asst. Professor Dept. of Computer Applications Mr.P. Balamurugan Asst. Professor Dept. of Computer Science
Topic/Activity	Web Application Development
No of Participants	110
Objectives of the activity	This webinar is organized to celebrate the "National Technology Day" and Also emphasizes the importance of innovation and technological development in India. The major objective of the programme is to generate awareness among the students about the importance of technology in every step of our lives. The webinar is also organized to introduce new technologies like Web Development Techniques that can be useful for the students in future.
Methodology	"National Technology Day" was celebrated by organizing a Webinar with interactive elements - the ability to give, receive and discuss information. An interactive function is fulfilled by discussion and online chat-rooms provided on the same website as the webinar. Resource Persons delivered their talks & then they made an interactive session with students by giving the answer of the questions asked by students.
Outcome of activity	Students got to know the importance of celebrating the National Technology Day. Students also got to know new technologies like Web Development Techniques that can be useful for the students in future. Students also cleared their doubts related to the modern technologies with the Resource Persons using an Interactive Session.

ABOUT THE COLLEGE

Sengunthar Arts and Science college, popularly known as SASC, was founded in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing, co-educational institution, situated in serene green atmosphere at Tiruchengode. It was formerly affiliated to the University of Madras and now to the Periyar University, Salem. With its fine infrastructure and ability in maintaining high Academic Standards, the Institution has the unique honour of being acclaimed as one of the outstanding Educational Institutions under Periyar University. The college offers two AICTE approved programmes M.C.A and M.B.A. We also have Ph.D Research programme in Microbiology. The college offers 10 PG programmes and 15 UG programmes of various disciplines such as Mathematics, Commerce (C.A), Management, Life Sciences and Physical Sciences. The college certified as ISO 9001:2015 recognized under section 2 (i) and 12 (B) of the UGC Act 1956 and is accredited by NAAC with A+ Grade (CGPA: 3.48).

ABOUT THE DEPARTMENTS

The Mathematics Department established in the year 2002, offers B.Sc., and M.Sc., (Mathematics) courses presenting top Academic Performers. Similarly the Physics Department established in 2004, offers B.Sc., (Physics) program and stellar academic achievements. The Chemistry Department started in 2004, provides B.Sc., (Chemistry) course and consistently produces outstanding students. These departments have been integral to our Institution since their inception. Together these departments epitomize our commitment to Academic Excellence and Innovation.

ABOUT THE PROGRAM

National Seminar on Recent advances in Mathematics, Physics and Chemistry will be a National Forum for Researchers and Practitioners Interested in Technology, Medicine, Energy and Material Science. The goal of the conference is to promote Recent Trends in Mathematical, Physical and Chemical Sciences among Research Scholars, Academicians, Students, Professionals and Scientists.

NOTE OF THE SEMINAR

Mathematics is a powerful tool for Global understanding and Communication that spreads the power of reasoning, creativity, abstract or special thinking, critical thinking and problem solving skills by making life orderly. Rethinking math in a Global context offers students a twist on the typical content that makes the Math itself more applicable and meaningful for students.

Physics is essential for advancing knowledge, driving innovation, and addressing the complex challenges facing society. As it provides a foundation for Technological Progress, Scientific Discovery, and Human Curiosity about the world we live in, knowing its recent advances remains pivotal for the Future of students.

Chemistry is often referred to as the central science as it joins together physics and mathematics, biology and medicine, and the earth and environmental sciences.

To enlighten the young minds with the ever widening fields of the Physical Sciences is the Aim of this Seminar entitled "Recent Advances in Mathematics, Physics and Chemistry".

A one-day national-level seminar on "Recent Advances in Mathematics, Physics, and Chemistry" was successfully organized by the Department of Mathematics, Physics, and Chemistry at Sengunthar Arts and Science College on 7th March 2024. The event brought together distinguished scholars and academicians to discuss recent advancements in these pivotal scientific fields.

The seminar was graced by eminent speakers, including Dr. R. Balamurugan, Professor at the School of Chemistry, University of Hyderabad; Dr. S. Sakthivel, Assistant Professor, Department of Physics, Government Arts College, Kulithalai, and Dr. S. Chandrasekaran, Assistant Professor and Head, Department of Mathematics, Government Arts and Science College, Edappadi. Each delivered insightful lectures highlighting contemporary research trends and their applications.

The seminar provided a vibrant platform for intellectual exchange, fostering collaborations among participants. Various college Faculties and students actively engaged in discussions, making the event a significant academic milestone for the college.

Title: One day Workshop on Vermicomposting

Date: 02/02/2024

Time: 10.00 AM to 4.00 PM

Venue: M.Sc Conference Hall

Department of Biochemistry organized One day Workshop on Vermicomposting on 02/02/2024 at M.Sc Conference Hall. The session began with Welcome address given by Mrs.J.Mallika, Assistant Professor in Biochemistry and the session began with our cheif guest Dr. S.Revathi , Assistant Professor in Biochemistry Vysya College salem. She had a speech about Vermicompost is known to be the world's best fertilizer. Vermicomposting is a method of preparing enriched compost with the use of earthworms. It is one of the easiest methods to recycle agricultural wastes and to produce quality compost. Earthworms consume biomass and excrete it in digested form called worm casts. After that students were prepared pit for The session ended with vote of thanks given by Miss S.Tamilarasi III B.Sc Biochemistry Student. Totally 32 students participated in the Program.

Report on the Guest Lecture on Opportunities and Advances in Biosciences

Conducted on 28th February 2023

The Guest Lecture on Opportunities and Advances in Biosciences was conducted at Sengunthar Arts and Science College, Tiruchengode on 28/02/2023. The Guest Lecture was jointly organized by Research Department of Biotechnology and Department of Botany. The Guest Lecture was delivered in the M.Sc., conference hall. Over 80 Students were attended the Guest Lecture. The students of I, II, III B.Sc., Biotechnology, I, II M.sc., Biotechnology and III B.Sc., Botany along with staff members attended the programme. Mr.Vivek Murali, Founder, Remura Biogicals, Krishnagiri and Mr.P.Bharathiraja Executive –RA, Regulatory Affairs Sunberg Life Science Pvt.Ltd., Puducherry was the chief guest of the day.

The Program started with prayer song. The Chief Guest & Participants were welcomed by Dr.S.Sudhakar, Head, PG and Research Department of Biotechnology, followed by the program was inaugurated by our respected sir Dr.S.Ravikumar, Principal, Sengunthar Arts and Science College, Tiruchengode with inaugural address. During his inaugural address respected principal explained the opportunities of biosciences and its relevance in these times and its necessity for the advancement in research and development in India.

In Lecture Session I, Mr.P.Bharathiraja Executive –RA, Regulatory Affairs Sun berg Life Science Pvt.Ltd., and Puducherry was delivered the lecture on 'Probiotics'. Probiotics is currently the talk of the hour owing to their varied benefits with respect to healthcare industry. He also spoke about all aspects of probiotics including their origin, types, benefits, applications and current market scenario in Indian and International market. The students received the lecture with extreme enthusiasm and interest. The entire session was highly interactive as students posed a number of queries regarding different issues related to probiotics.

The Lecture Session II was then continued by the eminent speaker, Mr.Vivek Murali, Founder, Remura Biogicals, Krishnagiri. He gave a brief introduction about job opportunities

in Biotechnology and Botany fields. The session continued with a fun filled activity by mapping various life-science job choices that students proffered. Furthermore, he classified the jobs into classic and non classic jobs. He explained how non classic job choices were easily ignored. He briefed each and every job choices and enlightened the students about various fields. Later he talks about practical learning process. The session ended with a poll on how many were going to select academic job or non academic job or if it was not decided, incidentally students were still figuring out on what they should select. Feedback about the session was given by students, expressing gratitude as they were all intrigued by the talk. The students gained information about various opportunities available to them after their graduation.

The Guest lecture encouraged the students to know the advances in biosciences and opportunities of biotechnology. The students were very much involved in the lecture cum interaction sessions. On the whole the program was very useful for the students. The guest lecture session was ended with a vote of thanks delivered by the Head, Department of Botany, Sengunthar Arts and Science College, Tiruchengode.
