Department of Physical Education

Report on BASKETBALL (MEN) _12.03.2024

SASC students from all departments of our college participated in the Basketball held this 12.3.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level Basketball. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In that event totally 26 boy students were participated.

The students are participated Basketball on 12.03.2024

Department of Physical Education

Report on VOLLEYBALL _12.03.2024

SASC students from all departments of our college participated in the volleyball held this 12.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level volleyball. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In this event totally 141 students are participated, on that 107 boys and 34 girls are participated.

The students are participated volleyball on 12.03.2024

Department of Physical Education

Report on CHESS (WOMEN) _12.03.2024

SASC students from all departments of our college participated in the Chess held this 12.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level chess. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In this event totally 36 students are participated, on that 26 boys and 10 girls are participated.

The students are participated chess on 12.03.2024

Department of Physical Education

Report on KABADDI_13.03.2024

SASC students from all departments of our college participated in the kabaddi held this 13.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level kabaddi. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In that event totally 85 boy students were participated.

The students are participated kabaddi on 13.03.2024

Department of Physical Education

Report on BADMINTON (MEN) _14.03.2024

SASC students from all departments of our college participated in the badminton held this 14.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level badminton. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In that event totally 56 boy students were participated.

The students are participated Badminton on 14.03.2024

Department of Physical Education

Report on GAME: WRESTLING (MEN) _15.03.2022

SASC students from all departments of our college participated in the wrestling held this 15.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level wrestling. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In that event totally 24 boy students were participated.

The students are participated wrestling on 15.03.2024

SASC students from all departments of our college participated in the shot put held this 19.03.2024. The Director of Physical Education of our college, the appointed professors of our college, and the students of the sports association started the competition by telling the students who participated in this competition the rules of the competition. This will qualify the students who win in this event to participate in further university and national-level shot put. It will be a precedent to identify the deserving students, train them in the best possible way, and have them participate in more sports. In that event totally 18 boy students were participated.

The students are participated shot put on 19.03.2024

PG DEPARTMENT OF COMPUTER SCIENCE
NATIONAL INNOVATION DAY

Science Exhibition

Summary Report

National Innovation Day is commemorated on February 16 every year to recognize and appreciate the role of the inventors who are bringing innovation and change in the field of science and technology. On 27.07.2023 Our Department conducted a Science Exhibition at 10.30 am in Electronics Lab, SASC. The day started with prayer song, Ms.M.Bakkiyalakshmi, II MCA student delivered the welcome address and Mrs.R.Bharathi, Head, PG Department of Computer Science had given felicitation to the students. Then our principal Dr.S.Ravikumar gave the presidential address and finally the session handover to our students. As the exhibition started, various students presented their projects. Models of solar power energy, space satellites, hydroelectric generators, AC and DC motors, automatic transformers, and robots were built by the students. Ms.M.Narmatha, along with Ms.K.Bhuvaneshwari, went around looking at the different models designed by the students and assessed the descriptions given by the students. The students also organised visual presentations to help everyone understand the concepts of their working models. Ms.K.Bhuvaneshwari gave a speech on the importance of the contributions of the young generations to the field of science and technology. At the end of the exhibition, upon careful inspection of the different models and projects, Ms.K.Bhuvaneshwari selected two projects from III B.sc (Electronics) and III B.Sc(Physics) respectively. Finally in the exhibition were given mementoes for their excellent efforts. The exhibition ended with vote of thanks delivered by Mr.C.Gokulan, II MCA student and National Anthem

REPORT

Name of the Program : 76th Independence Day celebration

Date : 10-08-2023 & 11-08-2023

Venue : Physics Lab

No. of Students Participation : 66

The Department of Physics at Sengunthar Arts and Science College organized a vibrant celebration of the 76th Independence Day on the 10th and 11th of August 2023. The event featured a range of competitions aimed at fostering patriotism and creativity among students. Participants showcased their talents in various activities, reflecting the spirit of independence and unity. Certificates of participation were issued to all contestants as a token of appreciation for their enthusiastic involvement. The celebration was a grand success, highlighting the collective effort and enthusiasm of students and staff in honoring the nation's independence.

PERMISSION LETTER

From

M.Kanagarajan,

Head cum Assistant professor,

Department of English,

Sengunthar Arts and Science College,

Tiruchengode.

To

The principal,

Sengunthar Arts and Science College,

Tiruchengode.

Respected sir,

Subject: Request for Permission to Organize Competitions

I wish to bring to your kind notice that the Department of English plans to organize competitions from 7th August to 11th August 2023 as part of the 76th Independence Day celebrations.

I kindly request your permission to proceed with the arrangements.

Thanking you,

Place: Tiruchengode

Date: 31.07.2023

yours faithfully,

REPORT

The 76th Independence Day Competitions, organized by the Department of English from 7th August to 11th August 2023, were a vibrant celebration of India's freedom and culture. The event featured a variety of competitions, including Oratorical, Rangoli Drawing, Mime, and Face Painting, which encouraged students to showcase their creativity, skills, and patriotism. The Oratorical competition allowed participants to express their thoughts on the significance of Independence Day, while the Rangoli Drawing competition showcased artistic talent with colorful and intricate designs. The Mime competition encouraged students to convey powerful messages about independence through silent performance, and the Face Painting competition added an extra element of creativity with designs reflecting themes of freedom and unity. The competitions received a high level of participation, with students demonstrating enthusiasm and dedication in every event. The winners in each category were celebrated for their exceptional performances, and their work was widely appreciated by faculty and fellow students. Feedback from participants highlighted the event's ability to foster creativity, patriotism, and teamwork, making it a memorable experience for all involved. Overall, the event was a great success, providing a platform for students to celebrate India's independence in a meaningful and artistic manner.

Respected Sir,

Sub: Seeking permission to conduct Onam celebrations-reg.

I, the cultural coordinator, wish to inform you that we are planning to celebrate Onam festival in our college campus. Onam, the traditional Kerala festival, is an integral part of our cultural heritage and this event shall take place on 15.09.2023 at our college campus. On this auspicious day, the following activities shall take place.

- Pookalam competition
- Traditional Kerala dance and music performances
- Cultural events

So I request you to give permission to celebrate this Onam festival and arrange necessary actions.

Thank you for considering our request.

Sincerely,

R.Bh 16

REPORT

The Department of English, along with its students, organized a vibrant Pongal celebration on January 12, 2024, embracing the cultural essence of the harvest festival. The event began with an engaging traditional Tamil prayer, setting a spiritual tone. Faculty and students dressed in ethnic attire, reflecting the festival's rich heritage, added color and authenticity to the occasion.

A beautifully decorated area with rangoli and sugarcane symbolized the spirit of Pongal. The highlight of the event was the preparation of the Pongal dish, with students enthusiastically participating in the ritual. Faculty members explained the significance of the festival, emphasizing gratitude towards farmers, nature, and abundance.

The program concluded with a vote of thanks by the head of the department, appreciating everyone's efforts in making the celebration meaningful. The Pongal event fostered a sense of unity, cultural pride, and joy among the attendees, leaving them with cherished memories.

REPORT

The English Department organized a series of engaging competitions to celebrate the 75th Republic Day, providing students an opportunity to showcase their talents. The competitions included Oratorical, Drawing, Essay Writing, and Quiz events, each designed to encourage creativity, knowledge, and public speaking skills.

The Oratorical competition saw participants express their thoughts on the significance of Republic Day, delivering passionate speeches that reflected both patriotic fervor and deep insights. In the Drawing competition, students displayed their artistic abilities, illustrating powerful images that captured the essence of India's Republic Day celebrations. The Essay Writing competition focused on themes of national pride and the progress of India, with students presenting well-researched, articulate compositions. Lastly, the Quiz competition tested participants' knowledge of India's history.

No. of Participants :32

The Department of Physics at Sengunthar arts and science college, Truchengode, proudly organized a vibrant celebration of National Science Day on 28th February 2024. The event featured an engaging science exhibition, showcasing innovative projects and demonstrations from students and faculty. The exhibition highlighted advancements in various scientific fields and encouraged curiosity and creativity among attendees.

This initiative aimed to inspire a love for science and commemorate the contributions of Indian scientists, especially the discovery of the Raman Effect by Sir C.V. Raman. The event was a resounding success, fostering a spirit of inquiry and collaboration within the academic community.

SUMMARY REPORT

Department of Microbiology celebrated a **Science Exhibition** on 28th Febuary 2024 held at Auditorium. The Resource Person of the Special Lecture was **Dr.P.Venkatachalam** Assistant Professor & Head Department of Microbiology Sengunthar Arts and Science College Tiruchengode. National Science Day is a celebration of scientific discovery, innovation, and critical thinking. It inspires young minds to pursue careers in science and technology, promotes scientific literacy, and fosters a culture of experimentation and innovation. By commemorating the discovery of the Raman Effect, we honor the legacy of Sir C.V. Raman and reiterate our commitment to scientific progress and excellence. It celebrates the spirit of scientific inquiry and discovery, inspiring future generations to pursue careers in science and technology.

To,

The Principal,
Sengunthar Arts and Science College,
Tiruchengode.

Respected Sir,

Subject: Requesting permission for conducting Inno Science-2K24 Program -reg

I am writing to request approval to organize **Inno Science-2K24** for our students on **12th March 2024** and **13th March 2024**. This initiative is aimed at encouraging healthy competition, nurturing creativity, and fostering skills such as teamwork, leadership, and problem-solving among our students. I kindly request your approval and support in facilitating this program.

Thank you.

Yours Sincerely,

1. R. Bh 14

Respected Sir,

Sub: Requesting permission to Celebrate World Kidney Day -reg

With reference to the above subject, on behalf the Department of Biotechnology would like to celebrate world Mental Health Day for UG and PG students of Microbiology Department which is going to be held at M.Sc., Conference Hall on 14/03/24 at 11:00 Am. Therefore, we request you to give permission to conduct the seminar and do the needful.

Thanking you

Place : Tiruchengode

SUMMARY REPORT

Department of Biotechnology celebrated a **World Kidney Day** on 14th March 2024 held at M.Sc Conference Hall. The Resource Person of the Special Lecture was **Mrs. K.Vishnukumari** Assistant Professor & Head Department (Incharge) of Biotechnology Sengunthar Arts and Science College Tiruchengode. The session was described as a World Kidney Day is our annual reminder for bringing attention to disease awareness, prevention, and improved options for patients who bear the burden of Kidney Diseases. The epidemic of chronic kidney disease in Indians is seen with a scope of increasing diabetes load, hypertension, and an ageing population; it will only worsen. The oncoming wave of chronic kidney disease can be encountered only with awareness. Understanding can help in the early detection of kidney disease, and it can be considered more successful if the awareness drive meets the patient. The speaker involved students during the session by interesting talk, will encourage stakeholders to address the research space which have been recognized and will help more progress in this captivating area of interest.

SUMMARY REPORT

Name of the Programme : Cell to Celluloid Contest

Date : 10-04-2024

Venue : M.Sc., Conference Hall

No. Of Participants : 36

The Cell to Celluloid contest, held on April 10, 2024 at Sengunthar Arts and Science College, was a celebration of creativity and visual storytelling. Organized by Department of Physics, the event revolved around the theme "Embrace the moments of SASC & Unlocking the memories of SASC," attracting 36 participants from diverse backgrounds. Contestants submitted stunning entries that demonstrated exceptional creativity and technical expertise. A panel of esteemed judges evaluated the submissions, ultimately awarding V. Bharathi-II-B.Sc., Physics the first prize for their photograph, "Unlocking the memories of SASC" and B.Divakar from II-B.Sc., Microbiology, second prize for the photograph, "Embrace the moments of SASC". The event also featured an exhibition showcasing the top entries, which was well-received by attendees. This contest not only highlighted the talent of emerging photographers but also fostered a sense of community and inspiration among photography enthusiasts.

Respected sir,

Subject: Seeking your permission to conduct One day seminar program - regarding.

I would like to bring to your kind notice that, the department of Physics & IIC jointly planned to conduct one day seminar on "World Creativity and Innovation". So, i kindly request to you, permit us to conduct the program on 22.04.2024.

Thanking you.

Your's sincerely

(A.Kumaresan)

SUMMARY REPORT

Name of the Programme : World Creativity and Innovation Day

Date : 22-04-2024

Venue : M.Sc. Conference Hall

No. Of Participants : 83

The World Creativity & Innovation Day was celebrated in the Department of Physics and IIC, Sengunthar Arts and Science College on April 22, 2024. Most of the students had shown much interest and participated in the Seminar. The event started sharply at 11.00 am. All the Heads of Departments, Faculty members and the students from various departments attended the programme.

Welcome address was given by Dr.A.P.Venkatachalam, IIC Coordinator. Following that, Presidential address was given by Principal Dr.S.Ravikumar. He mentioned the importance and reason for celebrating World Creativity & Innovation Day. After that Chief guest was introduced by Mr.A.Kumaresan, Assistant Professor & Head from Department of Physics.

Dr.S.Sakthivel, Assistant Professor, Department of Physics, Dr.Kalaigayar Govt. Arts College, Kulithalai was the chief guest. He delivered her speech by motivating the students, bringing the importance of Innovation and Creativity to think in a unique way. Also he spoke about the 10 best innovations, Tips for boosting the creativity, Design thinking and he informed that India is the 46th Innovation Nation. He concluded her speech by addressing the students to develop new concepts and ideas to innovate the society. Finally the programme was concluded with vote of thanks proposed by Ms.M.Narmatha, Assistant Professor from Physics department followed by National Anthem.

Activity Report

Name of the Activity	Webinar on the Occasion of "National Technology Day"
Date	11th May 2024
Time and Venue	1:00 pm. To 3:00 pm.
Mode (Online/Offline)	Online
EventCoordinator/ Faculty In-charge	Mrs. R.Bharathi Asst. Professor Dept. of Computer Applications Mr.P. Balamurugan Asst. Professor Dept. of Computer Science
Topic/Activity	Web Application Development
No of Participants	110
Objectives of the activity	This webinar is organized to celebrate the "National Technology Day" and Also emphasizes the importance of innovation and technological development in India. The major objective of the programme is to generate awareness among the students about the importance of technology in every step of our lives. The webinar is also organized to introduce new technologies like Web Development Techniques that can be useful for the students in future.
Methodology	"National Technology Day" was celebrated by organizing a Webinar with interactive elements - the ability to give, receive and discuss information. An interactive function is fulfilled by discussion and online chat-rooms provided on the same website as the webinar. Resource Persons delivered their talks & then they made an interactive session with students by giving the answer of the questions asked by students.
Outcome of activity	Students got to know the importance of celebrating the National Technology Day. Students also got to know new technologies like Web Development Techniques that can be useful for the students in future. Students also cleared their doubts related to the modern technologies with the Resource Persons using an Interactive Session.

REPORT

The Department of English organized a heartfelt Farewell Day celebration on 25.04.2024 to bid adieu to the final-year students. The event was a blend of emotions as faculty members and students gathered to celebrate the journey of the graduating batch.

The program began with a warm welcome address by the Head of the Department, who reflected on the achievements and growth of the students over the years. This was followed by a series of speeches from faculty members, sharing their fond memories and best wishes for the future.

Students also took the stage, expressing their gratitude and sharing their experiences. The highlight of the event was the presentation of tokens of appreciation to the graduating students, acknowledging their hard work and dedication.

The event concluded with a vote of thanks, leaving everyone with lasting memories. The Farewell Day was a fitting tribute to the departing students, marking the end of a significant chapter in their academic journey.
