Annual Gender Sensitization Action Plan

Sengunthar Arts and Science College is dedicated to making a positive impact on people's lives. We take pride in being pioneers in providing equal opportunities for education and employment. Many of our students are the first in their families to pursue higher education, and as a co-educational institution, we have earned a strong reputation in the community as a safe and secure environment for women students. Our success in promoting gender equality among both students and staff is supported by a range of initiatives and activities, as detailed below.
